## Face of Mandara

Pure Nature Facial 50 mins Rp. 449.000

Mandara Spa's signature facial is rich in enzymes that can peel away dead skin, antioxidant vitamins to protect and treat the cells from environmental (and self-induced!) pollutants and natural oils for deep nourishment. We use only natural ingredients with no harmful preservatives or additives. There are three options for different skin types, relying on nature's life-force to restore the equilibrium and deliver a vitamin and mineral burst to your skin.

Preserve - a cleansing and rejuvenating facial for normal skin.

Renew - a fruit acid facial for treating environmentally damaged skin.

Enrich - a nourishing facial for dry or mature skin.

## Body of Mandara

Warm Bamboo Massage 1 hr 15 mins Rp. 655.000

Let your mind and body escape reality and find its inner-balance. This deep but soothing massage will release knots and relax tense muscles through the use of long strokes using warm bamboo stalks and aromatherapy massage oil.

Balinese Massage 1 hr 20 mins Rp. 560.000  
50 mins Rp. 449.000

Our most relaxing massage, harnessing the therapeutic properties of 100% pure essential oils. Used for centuries to renew, strengthen and heal both body and mind, this traditional therapy combines stretching, long strokes, skin rolling and palm and thumb pressure techniques to relieve tension, improve blood flow, ease stress and calm the mind. It can also help to improve the circulatory, lymphatic, muscular and nervous systems. For jetlag recovery, choose our Tranquility massage oil blend.

Warm Stone Massage 50 mins Rp. 515.000

The healing power of touch combines with the energy of the earth in this relaxing, muscle melting massage. Smooth, warmed rocks glide across your body in long, flowing strokes. The heat helps to relax the muscles and has a soothing effect on your emotions. Simultaneously, rocks are placed on the body's various energy points to encourage the body's healing potential.

Asian Head Massage 50 mins Rp. 515.000

This shoulder, neck, upper back, arm and scalp massage is based on the ancient healing system of Ayurveda. A Thai poultice filled with exotic leaves, flowers and lime essential oil is dipped in warm coconut oil and used on the scalp, for scalp and hair care as well as complete relaxation. Deep thumb and finger pressure, friction and soothing strokes help to reduce tension, improve circulation and flush out physical and emotional toxins.

Fancy Foot-work 50 mins Rp. 449.000

The most blissful ride your feet will ever take you on. It's like reflexology without the 'ouch'. Based on the same therapeutic principles of its ancient ancestor, this foot massage will help to release toxins and restore your body's energy flow. And it feels like bliss at its celestial best.

Foot Massage 30 mins Rp. 199.000

A foot massage based on the ancient principles of Reflexology. Massage of these reflex points can improve the health by restoring the natural flow of body energy.

Express Massage 30 mins Rp. 199.000

For those of you on a tight schedule, this short but effective massage focusing on the head, neck and shoulders will help to relieve tension and stress
